## TERMINAL DISCLAIMER under 37 CFR §1.321(b) and (c)

Sir,

Your petitioner, Automated Medical Access Corporation, a corporation of Florida, having a principal place of business at 6701 Hanley Road, Tampa FL 33634, is the owner of all right, title and interest in the subject application and invention by reason of an assignment recorded by the Patent and Trademark Office at Reel 6193, Frames 0513 and 0514. Automated Medical Access Corporation is also the owner of all right, title and interest in US patent application Serial Number 08/206,525, filed 03/04/94, all claims of which have been indicated to be allowable, by reason of said assignment recorded at Reel 6193, Frames 0513 and 0514.

Automated Medical Access Corporation disclaims the terminal portion of any patent granted in subject application S/N 08/251,133 which would extend beyond the expiration date of any patent granted on application Serial Number 08/206,525, filed 03/04/94, all claims of which have been indicated to be allowable, and on which an Issue Fee was paid on 08/11/94. Automated Medical Access Corporation agrees that any patent so granted on application S/N 08/251,133 shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to any patent which issues on said application Serial Number 08/206,525, this agreement to run with any patent granted on application S/N 08/251,133 and to be binding on the grantee, its successor or assigns.

Respectfully submitted this 28th day of October,  
1994.
